SAVE THE DATE!

The CNMI silent retreat committee is in the process of planning our annual Fall retreat. We have a theme and a date, but are yet to determine whether it will be an in-person event or a virtual one. We will be watching the vaccine rollout and the status of the pandemic carefully over the next few months. If we believe it to be safe, we will hold our retreat in person otherwise we'll do a virtual retreat day as we did last year. In May, we'll make a decision and release a brochure with full details.

In either case, virtual or in-person, we will have many of the features that have long been popular components of our annual event. They include: fellowship, speaker meetings, yoga, guided meditation, and contemplative arts and crafts.

If you want to get more details as they become available, send your name and email address to CNMIretreat@gmail.com and we will send you updates.

You may also check our website for updated information when it becomes available in mid to late May: www.oa-cnmi.org.
