## Topic

Lynne T expressed an interest in becoming Region 2 Rep. Cynthia is interested in turning this position over to someone else. It was motioned and carried to make Lynne T R2 Rep starting in January 2021. This leaves the World Service Rep position open. In order to apply for R2 WSBC funding we must apply by Oct. New world service rep will be voted on in Aug or Sept. to take advantage of this funding. Motion and carried.

A discussion was had on whether Intergroup would be willing to pay \$15.00 a month for a premium Zoom account so that we could have zoom meetings within the Intergroup. Treasurer brought up that we could afford now, but, donations have been nil for last 5 months because of Covid. It was motioned and carried to provide this service to our Intergroup. An email will be sent to the VSI list on how our groups can donate to the Intergroup and what the Intergroup provides to our groups.

A question was asked about whether we should donate anything to our free conference call company. It will be researched further by checking with other virtual type groups whether it is necessary.

Next meeting will be August 29 - Modesto phone (or Zoom, if set up by then)
