COVID-19 Vaccine Requirement

The Conference Planning Committee has determined that all face-to-face attendees must either

1. Provide proof of full vaccination, including the booster against COVID-19, or
2. Upon arrival at WSBC, present a negative COVID-19 test result issued within the past 72 hours.

Support Funds for Live Interpreters

For the first time ever, funds for live interpreters will be provided to service bodies that are sending virtual non-English-speaking delegates to Conference! We are so excited for this opportunity to elevate our Fourth Concept of OA Service: “The right of participation ensures equality of opportunity for all in the decision-making

process.” All service bodies will receive an email notification within the next week when the interpreter funds application is posted on oa.org. The deadline for applications is **February 1, 2022**.

Online Registration Coming Soon

A new online registration form for all delegates, alternates, and region chairs will be made available in January 2022. All service bodies will receive an email notification when the registration form is posted on oa.org. The deadline for all WSBC attendees to register has been extended to **March 31, 2022**.
