

Hello everyone!

Concerning making our 7th Tradition donations to our meetings, Intergroup, Region 2 and World Services:

We do not know how much longer the pandemic will prevent us from giving our 7th Tradition donations to our meetings and expenses are being incurred by meetings using Zoom, our Intergroup, Region 2 and World Services.

Some meetings have asked members to hold their donations until the meetings can restart in person. But we don't know how much longer this will be. If you are so inclined, we would welcome your sending in your 7th Tradition donations now for the phone or Zoom meetings you have attended.

You can send your donations individually to your meeting rep, Intergroup, Region 2 and World Services (details below),

or

You can send your donations to Cat, our Intergroup Treasurer, and tell her what meeting you are donating for and how much you want to go to Intergroup, Region 2 and World Services, or if she should just do her usual 60/30/10 split. Intergroup address is below.

7th Tradition to your Meetings:

Contact your Meeting Secretary or Treasurer for a name and address to mail your check for Meetings you didn't attend f2f. Advise if your donation is just for the meeting (if you have donated separately to Intergroup, Region 2 and World Services), or if your meeting Treasurer needs to split your donation to them when your Treasurer sends in meeting donations to Intergroup, Region 2 and World Services.
